

Defines and Type Definitions

System Controls not
in SCB (SCnSCB)

```
graph LR; A[System Controls not in SCB (SCnSCB)] --> B[Defines and Type Definitions]
```

The diagram consists of two rectangular boxes. The box on the right is shaded gray and contains the text 'System Controls not in SCB (SCnSCB)'. The box on the left is white with a black border and contains the text 'Defines and Type Definitions'. A black arrow points from the right box to the left box, indicating a relationship or flow from the system controls to the definitions.
