

USART_Exported_Constants

USART_Clock_Polarity

```
graph RL; A[USART_Clock_Polarity] --> B[USART_Exported_Constants];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'USART_Clock_Polarity'. The box on the left is white with a black border and contains the text 'USART_Exported_Constants'. A black arrow points from the right box to the left box, indicating a dependency or relationship between the two.
