

Functions and Instructions  
Reference

```
graph LR; A[Cache Functions] --> B[Functions and Instructions Reference]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "Functions and Instructions Reference" in two lines. The box on the right is gray with a black border and contains the text "Cache Functions". A black arrow points from the right side of the gray box to the left side of the white box.

Cache Functions
