```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'BKP_Exported_Constants'. The box on the right is gray with a black border and contains the text 'RTC_output_source_to' on the top line and '_output_on_the_Tamper_pin' on the bottom line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two.
